

Magnetic Dart INSTRUCTIONS

For 2 Players

Components:

• 4 Magnetic Darts • Gameboard • 2 Feet

Set up:

Slide the gameboard into the two feet and place 8-10 feet away from both players.

How to Play:

1. Players take turns throwing their 2 darts at the gameboard.
2. If a dart lands on a point value, the player scores those points. After both darts have been thrown the player's turns ends and he adds up his points.
3. Once both players have had a chance to throw, the round ends.
4. After 3 rounds of play, players total up their total scores. The player with the most points after 3 rounds of play is the winner.

Winning the Game:

The player with the most points after 3 rounds of play is the winner.

WARNING:

CHOKING HAZARD—Small parts.
